Thank you from Lifeworks

Dear First Parish of Westwood,

I hope that you and your parishioners had a wonderful and joyful Christmas holiday and a Happy New Year. On behalf of the Family Support Department of Lifeworks and the individuals and families that we serve, I would like to extend our gratitude to you for participating in the Holiday Gift giving program this year.

Choosing to purchase gifts for six families this year was tremendously gracious of you and your parishioners. Your generous contributions this Christmas has helped ease the stress and financial burden for them during this time. A few of these families are single parent households who are raising more than one child with a disability. Being able to spend more time with their children instead of trying to gather gifts, has made a world of difference in their lives.

Thank you again for your kindheartedness this holiday season.

*Sincerely
Morgan Markt*

Thank you for Donations to TEC

Each year, the Education Cooperative's (TEC) class for high school age students with special needs and the Westwood High School Friendship Club sponsor a coat drive to assist the larger Koats for Kids. This provides an opportunity for all involved to participate in service to others and for TEC students to apply skills learned in the classroom to real life situations. Your donations helped make this project a success. Thanks!
